PROFESSIONAL SUMMARY

Computer Science Engineering graduate with a foundation in software development, programming, databases, and web technologies. Skilled in Java and C/C++, with project experience building an Android application and a personal portfolio website. Currently strengthening skills in Data Structures and Algorithms, SQL, core computer science, and front-end development while pursuing entry-level software development opportunities.

EDUCATION

B.Tech in Computer Science Engineering — Techno International Newtown | 2021–2025 | CGPA: 7.8
Higher Secondary — Science — MD JAN Higher Secondary School | 2018–2019 | 74.8%
Secondary Education — Jagabandhu Girl's High School | 2016–2017 | 63.5%

PROJECTS

Rakshita — Android Application | Kotlin | Jun 2024–Apr 2025
- Developed an Android application designed to provide a secure emergency SOS mechanism for users.
- Implemented emergency alert functionality for communication with police and designated emergency contacts.
- Integrated geographical location details into emergency alerts to support location-aware emergency response.

Personal Portfolio Website | HTML, CSS, JavaScript | 2025–Present
- Building a responsive portfolio website to present projects, technical skills, and professional information.
- Designed a clean interface using custom CSS and structured front-end layouts.
- Using HTML, CSS, and JavaScript to organize content and develop a responsive web experience.

TECHNICAL DEVELOPMENT

Software Development & Interview Preparation | 2025–Present
- Practicing Data Structures and Algorithms in C++ to strengthen problem-solving skills.
- Building SQL proficiency through query writing and database-focused practice.
- Developing web development skills through hands-on work with HTML, CSS, and JavaScript.

TECHNICAL SKILLS

Programming Languages: Java, C/C++
Web Technologies: HTML, CSS, JavaScript
Database: SQL
Core Strengths: Problem Solving, Analytical Thinking, Mentoring, Leadership

CERTIFICATIONS

- Problem Solving in C — NPTEL (2021–2022)
- Project Development Using Java — 2023
- Foreign Language — German — 2024

LANGUAGES

English, Hindi, Urdu, German (Beginner)
